A new 3-digit route numbering system has been adopted to improve consistency and clarity for users. The new route numbers are unique across the TransLink system allowing for ease of identification for users of timetable and other information.

tips

Below are a number of helpful tips to make your trip safer and more enjoyable.

Tips for catching a bus:

- Pre-plan your trip before leaving.
- Arrive at the bus stop five minutes before your bus is due to depart.
- Have the correct fare and be ready to pay on boarding to help improve travel times.
- If you have a concession card, have it ready to show the driver.
- Raise your hand to hail a bus to indicate to the driver that you want their bus to stop.
- Make sure you stand in a visible position so that the driver can clearly see you.
- When you're at the bus stop, check the approaching bus is on the route you require by looking at the destination sign (e.g. 600 MAROOCHYDORE).
- Once you've boarded just sit back, relax and enjoy the ride. Don't forget to ring the bell when you need to get off, and remain seated until you arrive at your stop.
- If there are no seats available and you need to stand, securely hold on to a handle.
