Future Meeting Dates

Tues. 14th June 6.30pm

Tues. 12th July 6.30pm

At Caloundra City School

**New Time
6.30pm**

The second term for our School Students is well under way, they will be looking forward to their respective Winter Sporting Activities. The days are getting shorter and in June the shortest day of the year will again arrive which is usually the middle of the winter, however with the unusual weather patterns which we have experienced, the colder months may have a prolonged effect.

Many thanks to all those volunteers who helped with our NHW Sausage Sizzle at Bunnings on Saturday 14th May. The day was a great success and we completely sold out. A report will be provided by the Treasurer Frank Price at our next meeting. Hopefully, our next Sausage Sizzle will be in the new year.

Recently there has been a couple of break & enters in our Community (a full report by the Police Liaison Officer is on page 2). The residences that have been targeted are those in darkness due to the occupants being away at various times either at weekends or on overseas holidays. They are cased and targeted by the criminals. It is most important as neighbours that we keep a close eye on any suspected activity and report anything that appears suspicious. It is most important also that our home security is reviewed and updated where necessary.

Neighbourhood Watch plaques placed on our mail boxes are most important and I encourage those residences that have been provided with Kits from their Block Co-ordinators to place the plaques on your mail boxes or on your front fence, as this helps with the security of your residence. They can be secured by using Liquid Nails.

It is recommended that you have your valuable household items engraved and record the details on the form that is provided in the kits. The Engraver is readily available at no cost and is only a phone call to myself.

PELICAN WATERS
community

Great news for Pelican Waters residents there is now a website set up and designed by a resident to reflect the Pelican Waters lifestyle with photos, news and events. I encourage all to have a look at

www.pelicanwatersqld.com.au

We extend our grateful thanks to Pelican Waters Development Office who supply the paper and print our bi-monthly newsletter free of charge.

Guest Speaker for our next meeting will be quite special, Senior Constable Trent Reynolds from the Sunshine Coast division of the Queensland Dog Squad together with his Police Dog will be visiting us. This will be most informative and enjoyed by members

Our Next Meeting is on **Tuesday 14th June, commencing at a new time at 6.30pm** at the Caloundra City Private School. The meeting is held in a classroom in the new Library.

Police Report

There have been a number of offences that have occurred in our area relating to the theft of property from unlocked motor vehicles. It doesn't take long for an opportunistic thief to enter an unlocked motor vehicle and steal valued possessions.

By taking a little extra effort to ensure your vehicle is locked is far better than the inconvenience suffered from having to deal with your lost items.

9/05/2011 A camera, coins and wallet stolen from a vehicle in Finnegan Place.

10/06/2011 A house key and sum of cash stolen from vehicle parked in the Pelican Waters Shopping Centre.

25/05/2011 A wallet, watch and 2 x I pods headphones stolen from vehicle in Reliance Place.

There was a burglary in Toorbul St whereby offenders have forced entry into a vacant house. Witness contacted Police and a male suspect was tracked down by a Police dog and apprehended.

Police continue to report any suspicious activity to Police.
